Re: Application/Control Number 10/804,007

Mr. Richard Bueker
Primary Examiner
Art Unit 1763

Dear Mr. Bueker,

I agree with your analysis.

I suggest

- 1) to change the title of the invention to "APPARATUS FOR MATERIALS PROCESSING BY STIMULATED LIGHT EMISSION";
- 2) to abandon claims from 14 to 20.

Thank you.

Sincerely,

A handwritten signature in cursive script, appearing to read "Robert Lembersky".
